

## Trainee Photographer / Photography Assistant

- **Are you a warm, easy-going and friendly person with a ready smile?**
- **Have you a natural 'can do attitude' and positive approach to life and work?**
- **Do you enjoy working with people, able to build instant rapport and understanding.**
- **Do you know the meaning of hard-work and flexibility?**
- **Are you creative, able to work under pressure and still smile!**

Mark Swinford photography has over 25 years experience within the professional portrait and makeover world and because of expansion - is looking for a part time trainee photographer, able to work; weekdays, evenings and one Saturday or Sunday each week.

The opportunity requires a basic understanding of digital SLRs, Adobe Photoshop & Lightroom plus some experience in a portrait studio would be an advantage.

### Job Role

**To learn the skills within the studio and work along side other photographers, with the target to progress onto having their own clients & sessions, qualifying and becoming a photographer within the business.**

**To work with Macs & Pcs editing sessions, creating stunning images and preparing image files for printing.**

**To help within a team, answering phones and greeting clients when required.**
